

Curriculum Vitae

First name and surname

Kamen Boyadzhiev

E-mail

kamen.boyadzhiev@naim.bg

Short biographical reference

I am born in 1981 in Sofia, Bulgaria.

Education and training

2022 Associate professor in the Exhibitions department of the National Archaeological Institute with Museum

2012 Chief Assistant in the Exhibitions department of the National Archaeological Institute with Museum.

2011 PhD defended in the Department of Prehistory of the National Archaeological Institute with Museum. Theme of research: "Weapons from the Chalcolithic period (Vth millennium BC) in Bulgaria". Advisor: prof. Vasil Nikolov.

2006 MA degree in Archaeology, received in the Sofia University "St. Kliment Ohridski".

2004 Bachelor degree in Archaeology, received in the Sofia University "St. Kliment Ohridski".

2000 Second English Language School, Sofia.

Foreign languages

English

Organizational / managerial skills

Since 2023 Member of the Academic Board of the National Archaeological Institute with Museum.

Since 2013 Member of the Museum council of the National Archaeological Institute with Museum.

Since 2012 Head of the Exhibitions department of the National Archaeological Institute with Museum.

Since 2007 Curator in the Exhibitions department of the National Archaeological Institute with Museum.

Professional skills

- Scientific projects at international and national level, exhibitions

2023

Curator of temporary exhibition "Bulgarian archaeology 2022"

2022

Curator of temporary exhibition "Bulgarian archaeology 2021"

2021

Curator of temporary exhibition "Bulgarian archaeology 2020"

2020

Curator of temporary exhibition "Bulgarian archaeology 2019"

2019

Curator of temporary exhibition "Bulgarian archaeology 2018"

2018

Curator of temporary exhibition “Bulgarian archaeology 2017”

Curator of temporary exhibition “Rescued treasures of Bulgaria” (with K. Chukalev)

2017

Curator of temporary exhibition “Bulgarian archaeology 2016”

2016

Curator of temporary exhibition “Bulgarian archaeology 2015”

2015

Curator of temporary exhibition “Bulgarian archaeology 2014”

2014

Curator of temporary exhibition “Bulgarian archaeology 2013”

2013

Curator of temporary exhibition “Bulgarian archaeology 2012”

2011

Team member in a project “Application of laser methods in archaeology”. A project of the National Archaeological Institute with Museum and the Institute of Solid State Physics – BAS

- Organization of scientific conferences

2019 Member of the organizing committee of the international conference “Tell Yunatsite: 80 years from the first excavations” – Pazardzhik, November 2019.

- Fieldwork activities

2023

Director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Participation in the archaeological excavations at the Early Neolithic settlement Shaar Hagolan, Israel

Director of field survey in the territory of the villages Levski and Sbor, Pazardzhik region

2022

Director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Participation in the archaeological excavations at the Early Neolithic settlement Shaar Hagolan, Israel

Director of field survey in the territory of Zhrebichko village, Pazardzhik region

2021

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Director of field survey in the territory of the villages Apriltsi and Sbor, Pazardzhik region

2020

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Deputy director of the rescue archaeological excavations of the prehistoric settlement at Varbishki dol, Bata village, Panagyurishte

2019

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Deputy director of the rescue archaeological excavations of the Chalcolithic settlement at Orlitsa, Kardzhali region

Director of field survey along the “Ruse – Veliko Tarnovo” motorway

2018

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of field survey in the “Borova mogila” area, Panagyurishte

2017

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Director of field survey in the territory of the villages Kalugerovo, Pamidovo, Dinkata and Shtarkovo, Lesichovo municipality, Pazardzhik region

2016

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Co-director of the archaeological excavations at Golyamata peshtera, Veliko Tarnovo

Team member of the rescue archaeological excavations of the Damyanitsa prehistoric settlement, Blagoevgrad region

Director of field survey in part of the “Plovdiv-Burgas” railway route, in the territory of the villages Zavoy and Zimnitsa, Yambol region and Devetintsi, Burgas region.

2015

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Co-director of the archaeological excavations at Golyamata peshtera, Veliko Tarnovo

Director of the rescue archaeological excavations at the Neolithic site Palauzovo, Yambol region

Team member of the rescue archaeological excavations of the Chavdarova cheshma prehistoric settlement, Simeonovgrad

Director of field survey in part of the “Hemus” motorway route, in the territory of the Gorna Oryahovitsa and Strazhitsa municipalities, Veliko Tarnovo region, and Popovo municipality, Targovishte region

2014

Co-director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the rescue archaeological excavations of the Chavdarova cheshma prehistoric settlement, Simeonovgrad

2013

Deputy director of the archaeological excavations at tell Yunatsite, Pazardzhik region

Deputy director of the archaeological excavations at Manastira cave, Veliko Tarnovo region

Team member of the rescue archaeological excavations of the Hauza prehistoric site at the village of Kapitan Andreevo, Svilengrad municipality

Director of field survey along the “Iskar” dam coast – Pancharevo, Sofia

2012

Deputy director of the archaeological excavations at Manastira cave, Veliko Tarnovo region

Team-member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the rescue archaeological excavations of the Hauza prehistoric site at the village of Kapitan Andreevo, Svilengrad municipality

Director of field survey along the “Nabucco” gas-pipe line – sector 1, Yambol district

Director of field survey along the “South stream” gas-pipe line – sector 2, Vratsa and Montana districts

Team member of field survey in the territory of the villages Belyakovets and Samovodene, Veliko Tarnovo region

2011

Deputy director of the rescue archaeological excavations of the Chalcolithic settlement at Varhari, Kardzhali region

Team-member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team-member of the archaeological excavations at tell Provadiya-Solnitsata

Director of field survey along the “Nabucco” gas-pipe line – sector 1, Yambol district

2010

Deputy director of the rescue archaeological excavations of the Chalcolithic settlement at Varhari, Kardzhali region

Team member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the archaeological excavations at tell Provadiya-Solnitsata

2009

Deputy director of the rescue archaeological excavations of the Chalcolithic settlement at Varhari, Kardzhali region

Team member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the archaeological excavations at tell Provadiya-Solnitsata

Team member of field survey in the territory of the Bukovo village, Parvomay municipality

2008

Team member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the archaeological excavations at tell Provadiya-Solnitsata

2007

Deputy director of the rescue archaeological excavations of the Chalcolithic settlement at Varhari, Kardzhali region

Team member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the archaeological excavations at tell Provadiya-Solnitsata

Team member of the rescue archaeological excavations of the Neolithic site Dana bunar 2 at Lyubimets

2006

Team member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the rescue archaeological excavations of the Neolithic site Dana bunar 2 at Lyubimets

Team member of the archaeological excavations at tell Karnobat

2005

Team member of the archaeological excavations at tell Kozareva mogila, Burgas region

Team member of the rescue archaeological excavations of the Chavdarova cheshma prehistoric settlement, Simeonovgrad

Team member of the archaeological excavations of the Neolithic settlement at Kovachevo, Blagoevgrad region

2004

Team member of the rescue archaeological excavations of the Chalcolithic settlement at Orlitsa, Kardzhali region

Team member of the archaeological excavations of the Neolithic settlement at Kovachevo, Blagoevgrad region

2003

Team member of the rescue archaeological excavations of the Chalcolithic settlement at Orlitsa, Kardzhali region

Team member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the archaeological excavations of the Neolithic settlement at Kovachevo, Blagoevgrad region

2002

Team member of the archaeological excavations at tell Yunatsite, Pazardzhik region

Team member of the archaeological excavations of the Neolithic settlement at Kovachevo, Blagoevgrad region

- Lecturing

2013-2019 Co-director of a field school at tell Yunatsite, called "Tell Yunatsite: seeking Europe's first civilization", organized in partnership with the Balkan Heritage foundation. The field school includes lectures and practical training.

Scientific interests

Prehistory (Neolithic and Chalcolithic – 6th and 5th millennium BC), weapons and tools, armed conflicts, cultural dynamics, social organization.

Participation in scientific conferences

2023

Conference “Kliment's Days 2023 – 60 years Faculty of Biology”, Sofia, 9-10 November 2023. Presentation: Y. Katreva, E. Marinova, K. Boyadzhiev, Y. Boyadzhiev, V. Petrov, D. Ivanov, M. Andonova-Katsarski. Recent paleoecological research at Tell Yunatsite as a bridge to reconstruct the past.

International conference “Telling environmental archaeology stories” in Taragona, Spain, 24-26 November 2023 (43rd Conference of the Association for Environmental Archaeology). Presentation: M. Andonova-Katsarski, Y. Katreva, K. Boyadzhiev, E. Marinova-Wolff, Y. Boyadzhiev. The Late Chalcolithic vegetal fibres at Tell Yunatsite, Southern Bulgaria.

2021

Society for American Archaeology 86th Annual meeting (International conference), online, 15-17 April 2021. Presentation topic: “Tell Yunatsite, Southern Bulgaria: New insights on the 5th millennium BC in the Balkans”.

2020

6th Annual Meeting of the European Association of Archaeologists in Budapest 2020, online, 26-28 August 2020. Presentation: Brent Whitford, Kamen Boyadzhiev, Miroslav Ivanov, Konstantin Tyufekchiev, Yavor Boyadzhiev. Thinking outside the (Wheeler-Kenyon) box: a photogrammetry assisted methodology for the documentation of complex stratigraphic relationships.

2019

International conference “Tell Yunatsite: 80 years from the first excavations” in Pazardzhik, Bulgaria – November 2019. Participation in two presentations:
New data on the Chalcolithic layer at tell Yunatsite. Results from the 2012-2019 excavations in the central-east part of the tell (with Yavor Boyadzhiev)
Archaeobotanical remains from Building BII-21 at Yunatsite. New data on prehistoric diet and nutrition (with Tsvetana Popova)

International conference “LBK & Vinča. Formation and Transformation of Early Neolithic Lifestyles in Europe in the second half of the 6th millennium BC” in Tubingen, Germany – March

2019. Presentation topic: “The transition to the Late Neolithic in the Upper Thracian Plain (Southern Bulgaria)”.

2018

LVII National archaeological conference in Burdas. Presentation topic: “Tell Yunatsite: results from the last six years of research” (with Yavor Boyadzhiev).

2016

National conference Geosciences 2016“ in Sofia, Bulgaria – December 2016. Poster about „Stone tools features from the Late Neolithic settlement Chavdarova cheshma in the vicinity of Simeonovgrad, Bulgaria“ (with S. Georgiev, E. Balkanska, Y. Boyadzhiev, A. Andonova).

2015

International conference „Tracing the Dynamics of Change Beyond the Modern Borders between Western Anatolia and Thrace: Mid-Sixth through the Mid-Fifth Millennium BC“, in Edirne, Turkey, November 2015. Presentation topic: „Late Neolithic settlement in the Chavdarova cheshma locality, Simeonovgrad“ (with Y. Boyadzhiev, V. Petrov, A. Andonova).

2014

IV Balkan Symposium on Archaeometry in Nessebar, Bulgaria – September 2014. Poster “Stone tools from the Chalcolithic settlement at Varhari” (with S. Georgiev and E. Balkanska).

XX annual meeting of the European Association of Archaeologists in Istanbul, Turkey – September 2014. Presentation topic: “Environmental and cultural factors in development of Chalcolithic fortifications in Bulgaria”.

2013

International conference “Communities in Transition: The Circum-Aegean Later Neolithic Stages (5000/4800-3200/3000 BC)” in Athens, Greece – June 2013.

2012

International conference “The Black Sea Region from the Neolithic to the Early Iron Age (6000-600 BC): Cultural influences in the Pontic area and contacts with neighboring areas” in Varna, Bulgaria – June 2012. Presentation topic: “Battle axes in Chalcolithic cemeteries from Northeastern Bulgaria and the Western Black sea coast”.

2010

XLIX National archaeological conference, Nesebar. Presentation topic: „Chalcolithic settlement at Varhari” (with Y. Boyadzhiev).

2008

International conference “Geoarchaeology and archaeomineralogy” in Sofia, Bulgaria – October 2008. Presentation topic: „Real arrows or “darts from the heaven”? Some ideas on the interpretation of belemnites from Neolithic and Chalcolithic sites in Bulgaria”.

International conference “Culture and Civilisation at the Lower Danube. East and West.” – Calarash, Romania. Presentation topic: „Ethnocultural processes in Southern Dobrogea during the 5th millennium BC” (with Y. Boyadzhiev).

2006

International conference “Pre- and protohistoric hollowed structures” in Dijon, France – March 2006. Presentation topic: “Hollowed structures from the Late Chalcolithic settlement Orlica in the Eastern Rhodope mountains, Bulgaria”.
